In consideration for any grant by the City of a stormwater utility fee credit pursuant to this application, the applicant is hereby legally acknowledging and agreeing to the following:

- a) The applicant acknowledges that the applicant, or the Owner(s) as identified above if different from the applicant, hereinafter referred to as the "Owner(s)", is/are responsible for the operation, maintenance, repair and any future modification of the stormwater management facility or BMP as a privately constructed, owned and maintained stormwater management facility/BMP, and that any grant by the City of a stormwater utility fee credit requested in this application will not create any legal responsibility upon the City for said operation, maintenance, repair or future modifications of said facility/BMP, nor will such grant of a credit by the City create any liability for the City, its officers agents and employees for any and all claims, actions, causes of action, judgments, damages, losses, costs, and expenses (including attorney's fees) arising out of or resulting from the construction, modification, installation, maintenance, or operation of the stormwater management facility/BMP.
- b) Owner(s), their personal representatives, heirs, grantees, successors and assigns acknowledge that credits are not perpetual and that maintenance of stormwater management facilities and annual reporting of maintenance activities may be required in order to maintain all approved credits, and that credits must be re-applied for every 5 years.
- c) Owners agree, as a condition of any grant of the stormwater utility applied for herein, to authorize the City and its representatives Right of Entry to inspect and/or monitor the performance of stormwater management facilities.
- d) This Agreement shall run with the real estate upon which the stormwater management facility/BMP has been constructed and shall be binding upon the Owner(s), their personal representatives, heirs, grantees, successors and assigns so long as the stormwater management facility and/or improvement or any part of it shall be used by them. This Agreement shall be disclosed upon transfer of the real estate upon which the stormwater management facility/BMP has been constructed. At such time as the stormwater management facility/BMP shall cease to be so used, this Agreement shall immediately terminate.
