### Narrative

I am nominating Nelson because he is an outstanding teen in our neighborhood. He is a freshman at Centennial and goes above and beyond to help people in need.

For example he mows yards for very reasonable prices and even trims where most kids only mow.

He got up on a Saturday morning at 7:30 to rake a neighbors yard. What teen do you know does that? Especially on a Saturday morning!!

We had a neighbor in need of some serious yard raking and mostly adults showed up and Nelson was right there with us.

He's an outstanding young man, a self motivator, which is super hard to find anymore and just a really nice kid.

We need to honor him as most teens his age do not do what Nelson does for his community.

He is more than deserving of the Star Award.
