### Narrative

I would like to nominate Staci for the Good Neighbor award because, ever since Staci has moved into Garden Hills she has jumped in and got involved! Most people take awhile before they become involved, but not her! She started coming to the meetings even getting her husband to come and was a regular attendee! It wasn't long before she started coming to the steering committee meeting, becoming an active committee member, rarely missing a meeting! She gives her insight to the goings on in the neighborhood as well as idea's for speakers and events!

Staci has always been available to help in planning and/or working the events that we put on in Garden Hills! We had a carnival theme event for National Night out and Staci came up with all the ideas for games for the kids as well as making many of them. National Night Out 2015 was a great success for the kids do to the hard work she did!!

Any neighborhood would be so blessed to have Staci as one of their neighbors, I am glad she chose Garden Hills as a place to make her home!!!!
